## **Assumptions Used in Arriving at Fiscal Estimate**

If enacted, this bill prohibits the requiring of a leave of absence of a public employee as a condition of being a candidate for any elective public office. Since no empolyee's status, and therefore cost, would change during the period of candidacy under the proposed bill it, is assumed there would be no fiscal effect. Upon election, if successful, there might be required employment changes of indeterminate effect.

**Long-Range Fiscal Implications**
